

# HONOURS IN BIOLOGICAL SCIENCES 2020

## Parts 1-4

Honours in Biological Sciences  
Honours Research Dissertation Part 1  
(BIOL5442) Sem-1 & 2

Honours in Biological Sciences  
Honours Research Dissertation Part 2  
(BIOL5443) Sem-1 & 2

Honours in Biological Sciences  
Honours Research Dissertation Part 3  
(BIOL5444) Sem-1 & 2

Honours in Biological Sciences  
Honours Research Dissertation Part 4  
(BIOL5445) Sem-1 & 2

## Seminars

**Proposal Seminar:**  
Honours in Biological Sciences  
Research Development  
(BIOL4441) Sem-1 & 2

**Final Seminar:**  
Honours in Biological Sciences  
Research Presentation Skills  
(BIOL4446) Sem-1 & 2

## Prerequisites

Enrolment in Botany, Conservation  
Biology, Marine Science

or

Zoology specialisation in the Bachelor  
of Science (Honours BH004)

or

Bachelor of Philosophy (Honours  
BH005)

## What Next?

*Masters in Biological Sciences*

## Career Opportunities:

Biologist,  
Botanist  
Conservation Biologist  
Conservation Officer  
Consultant  
Ecologist  
Environmental Manager  
Environmental Scientist  
Marine Biologist  
Parks Officer  
Quarantine Officer  
Research Scientist  
Research Technician  
Rehabilitation Manager  
Science Communicator  
Wildlife Officer|  
Zoologist

## Co-requisites

Honours Research Dissertation Part 1  
(BIOL5442)

Honours Research Dissertation Part 2  
(BIOL5443)

Honours Research Dissertation Part 3  
(BIOL5444)

Honours Research Dissertation Part 4  
(BIOL5445)
